

AFFILIATE REPRESENTATIVE - SIX FIGURE CLUB - SALES TERMS AND CONDITIONS

The following is to be considered part of your contract and agreement when employed as an Independent Contractor with and through Six Figure Club and Mentor Services Unlimited, LLC.

1. All commissions will be paid every 2 weeks (generally the second Friday and forth Friday of each month after investment funds have cleared. Your compensation will be paid at a rate equal to the stated commission structure (on the website) at the time of the signed contract period selected by the customer as of (*closed business) within that 2-week period.
2. At the end of any calendar month, any (*closed business) for your total sales volume over the commissions paid will be paid the following month on the second Friday. This will be considered your BONUS PAYMENT for reaching that months total sales volume.
3. 10% of all commissions paid to you will be held in a (**reserve account) as these funds are to offset any clients whose funds (for any reason) have not cleared our banks or if any refunds are made to that client.
4. Once an Affiliate, subcontractor, employee, or any person who has an employment contract with our firm who has had these funds (10%) withheld from their pay, has terminated one's contract /agreement with our firm, these funds will be held (6) six months and then released less any outstanding losses incurred.
5. If at any time commissions were paid to any representative of our firm(s) and any customer was released from their contract for any reason within the first year holding period, any commissions paid to the representative is to be returned to the company as unearned commissions.
6. After the first-year contract holding period has passed, clients that have not elected to receive a full refund (less earnings received) will no longer have the right to cancel their contract with our firm. Any commissions paid to our representatives (unless some form of fraud is, was or would be found) within six months following the end of the first year contract, shall be considered "good funds" and not at risk for repayment back to our company.

(*closed business) = All investment funds must clear our banks.

(**reserve account) = 10% of all commissions from sales representatives held for covering charge-backs and the holding period is for the entire contracted time of not less than one year. These funds can be released (6) six months after that termination date (less any outstanding losses incurred.)

I have read the above and agree to the terms and conditions.
