The beginning and the end of your searching is now HERE.... The Conclusion you have been seeking has ARRIVED!

Please Note: The following may be the most important document you have ever read in your entire life!

The following PDF's (found under the **Documents** link) have been placed in a specific order (like a jigsaw puzzle) and **you need to read them in this order....** Here is why: In the financial world the truly wealthy have their own "PRIVATE FINANCIAL SOLUTIONS - SUCCESS FORMULA'S." In order to understand and become a partner within the "Inner Circle of Wealth" you must follow the rules and use this single **"KEY"** to unlock and gain financial independence and "ACCESS" to **"HOW MONEY REALLY WORKS"**

True Wealth is only available to these TOP EARNING 5%er's (the haves) because this is how they obtained their personal and business fortunes. Each of us have gained an education from our peers and have been individually vetted and due diligence has found the few who can **"QUALIFY."** *We believe in you...* and maybe you can escape from the remaining 95%er's (the have knot-ters) who will never own wealth and all the freedom it provides.

One of the master lessons I learned from my mentors was that, true and lasting wealth can only be obtained by building a (PPSP) program, product, service, project through a **"PROCESS"** called V A L U E – C R E A T I O N... where one must become a Value Creator.

We at the [Six Figure Club](#) have unraveled the thousands of miles of bureaucratic "BS" that has been forced upon us over our lifetimes. We have followed our instructors (Life Mentors) to the point now that we have "ARRIVED!" No-longer do we have to follow**We Now LEAD**... because we have created our own lifetime "Financial Portals."

For you to obtain wealth... this lasts (where getting rich usually always disappears) as part of our (private income producing syndicate) we are now instructing and directing you to be the Follower... only in that, if you don't... You will not be invited to share our unlimited "Income Rivers." We will create for you personally, your business and even for anyone worldwide you would want to reward using our safe (secured), stable and sustainable, financial portals.

You must TRUST OUR SYSTEM (we have built it for you) and recognize we have dedicated over 40 years of research, testing, investigation and we have eliminated thousands of failures for you and sifted through the so called internet based (get rich – quick schemes.) The TRUTH BE TOLD...We have eliminated 95% of unnecessary over-charges all financial institutions have injected into your retirement (tax shelters) saving programs and investment portfolios. If that's not enough, we have created a direct partnership with our suppliers to forward "Guaranteed Yields"... (i.e. fixed % profits) to our private members only investment club! As seen @ [Your Earnings](#) link.

*When you join our "Inner Circle of Wealth" your income needs will be satisfied and this "Pathway to Wealth" Will-be the **KEY YOU NEED** to travel to any destination, as our bridge produces total financial security, peace of mind, improved health, because we have eliminated the worry, labor and risks found in all financial services industries!*
