

“Press Release” – New Home Office Florida Location

Formally in our Nation’s Capital, after 40 Years we have chosen the beautiful Gulf Coast of South Florida to expand our global reach to all seven continents. Mentor Services Unlimited, LLC. The Parent Company and its (8) subsidiary/divisions/sister companies will now be focused on both domestic and our ever growing international clientele.

We are driving the most profitable venue of multiple **(HYRPIP)** High Yield Return Passive Income Programs through our **“Pathways to Wealth”** income producing gateway. All who can qualify will be able to earn income that rivals the **wealthiest INCOME RECEIVERS** worldwide who represent the TOP 5%er’s (The Haves) vs the 95%er’s (The Have-Nots.)

Our **“Private Members Only - Investors Club”** can only accommodate less than 100 participants who are lucky enough to get in on the Investors Pools before they become fully funded. Previously we found that once we announced our **“Next” income producing opportunity**, the majority of previous private club members simply rolled over their funds and deposited them in to the next fund and our 8 to 9 month funding periods were being cut nearly in half. So the only intelligent thing to do was to increase the size of each new pool and offer two pools at a time to accommodate the income requirements of our membership.

Now that we have secured the rights to offer fully **“Qualified”** Tax-Sheltered Retirement and Pension Fund Roll-Overs without suffering penalties in most cases, has become a godsend of huge quantities of poorly performing assets. Because we cut out 95% of the multi-billion dollars overhead expenses that nearly all financial service institutions must cover i.e. hundreds of V.P.’s exorbitant salaries, skyscraper offices worldwide, marketing the same old lies producing less than stellar results year in and year out without creating value and sustainable growth and meaningful **REAL PROFITS**.

Our mission is succeeding in that the public ... **once educated about how money really works** will pursue our new Income Producing Portal for decades to come.

We call it the **10 to 1 Win / Loss Ratio**, simply stated we find income producing programs with in our four basic (PPSP) programs, products, services, projects that will produce a minimum of ten times the profits of what others (financial institutions sell/offer to you - the public) and they only deliver penny’s (if anything at all) for the use of funds, specifically the **(use of your money.)** **An everyday example done worldwide is the shameful abuse every bank customer continually accepts as the way it is....**

Continued...

Deposit you're hard earned \$150,000 at any bank and see what they will give you for interest. Recently, just for chuckles a friend of mine needed to keep their money liquid for one month so she deposited \$150,000 in the bank for 30 days.... **She received \$20 in interest.**

Here is the real sin.... The bank lent her money to others, leveraged it and through hypothecation, compounding and several other programs and the bank earned approx. \$3,000 in pure profits using my friend's money the whole time. Remember your local friendly banker gave her \$20 bucks. **This is typical behavior worldwide by all financial institutions!**

After hearing her (X\$%&*@*^#!*^%).....comments, we at the **Six Figure Club** would have paid her 2.5% per month which is \$150,000 X 2.5% Per Month = \$3,750 monthly, but we only distribute **Profit Checks Quarterly so she received \$11,250** from us since she became one of our private members! Annually we paid **30% ROI** and she received a total profit of **\$45,000. (Oh yes, her principal was secure the whole time and was never at risk.)**

So the lesson learned here was that the **EDUCATION** WE DELIVERED ... DELIVERED THE PROFITS HER BANK WOULD HAVE KEPT... INSTEAD OF PAYING THE CUSTOMER... **I.E. YOU !!!**

Note: ***Our worst case scenario*** is that we pay a minimum 12% up to 75% or more per year to our private members.... **Interested in how much \$\$\$ we would pay you?**
