## An Investment with Amazing ROI and No Labor or Worries

Our Sweepstakes investment offers both small and large investors across the globe the investment opportunity of a lifetime with **unheard of monthly returns** and a unique 100% Satisfaction, Money-Back Guarantee.

We offer two investment paths — owner/operator or high-yield return, passive investment — and both give you fantastic returns on your investment.

**Owner/operator investors**, from small businesses to large corporations, actually house the Sweepstakes machines and rake in 25% to 35% of the net profit per machine every month depending on level of investment, allowing you to cover your investment in the first year.

As if reducing or eliminating your overhead expenses using other people's money wasn't enough, providing your customers with an entertaining outlet allows you to create a more positive experience and gives your

### Money-Back Guarantee

If after 12 months of earnings, you are not completely satisfied with the returns on your investment, we will refund your entire investment minus the returns you have already received no matter which investment path you choose.

customers yet another reason to keep coming back.

But you don't have to actually have a location for a Sweepstakes machine to receive phenomenal returns.

Our **high-yield return, passive investment program** offers 18% to 60% annual returns that can be paid out on a monthly basis. Your ROI is a set percentage based on amount invested and is tied to all our machines.

Through our global alliances, we can even arrange loans for investment and rollover of IRAs and other tax-sheltered investments into our program without penalty.

We know it all sounds too good to be true but we stand behind our claims. In fact, we guarantee your satisfaction or we return you investment minus any earnings.

Act now to take control of your financial future. Visit **www.SixFigureClub.com** or contact us today to learn more about this investment opportunity of a lifetime.

## Unlimited Earning Potential for Affiliates

Our Affiliates earn serious income while introducing the Six Figure Club and our Sweepstakes investment opportunity to the world. The phenomenal returns and multiple investment paths make it easy to attract and close the deal with qualified investors.

### Six Figures Within Easy Reach

We want our Affiliates to earn six figures, too. That's why we offer such generous commissions. In fact, our affiliates get commission on all types of funds we collect — the initial sale/investment, annual dues and private member connect fees.

The investment commission is based on the number of Sweepstakes machines you sell to owner/operators and/or the amount invested in the passive income program. The more you sell per month, the higher the commission from 5% to 7.5%, which could mean raking in up to \$37,500 per month and more.

We also pay a flat fee for finding good, approved locations to house machines. The fee rises as you place more machines, up to \$350 per machine.

### Account Managers Needed, Too

If sales aren't your bailiwick, you can still be an Affiliate and bring in a decent income. Account Managers install the Sweepstakes machines and provide support to the business owner for six months. They receive a flat fee of \$100 per machine installed and \$150 per month per location to assist the business owner.
